NOTICE: The product specifications appearing herein supersede and cancel all previous sheets, supplements and addenda, and represent current manufacturing standards and procedures. Armstrong Cabinet Products reserves the right to make specification changes for continued product improvement.
For aesthetic considerations the furniture and cabinet industries have made veneer on composite panel substrate the standard method of construction for raised panel-in-frame doors in some wood species. Within the Armstrong Cabinet Products product line, those species include oak, birch and maple.

M = Mullion Door

V = Vetro Aluminum Door

NEW GLASS INSERT NOMENCLATURE

- Simplifies ordering the glass insert.
- Nomenclature based on cabinet door size and glass insert style.
- Order glass insert under the cabinet door style to get correct glass size.
- Glass inserts are ordered individually. Order 2 inserts for a double door cabinet.
- For use with doors cut for glass and mullion door cabinets.
- See glass specifications section for specific description of glass style and recommendation for use by door style.

Example:

G1530WOVEN

Woven glass insert for use with a 1530 cabinet door.

Use on DCG1530, MW1530, DCG3030, MW3030, etc.

Ordered under a door style (i.e. Waverly or Newbury) to determine glass size.
